

Fox warns **EU** chiefs over trade

INTERNATIONAL Trade Secretary Liam Fox has warned EU leaders that imposing new tariff barriers with the UK after Brexit will simply make their own economies less

competitive.
Addressing the EEF manufacturers organisation in London, Dr Fox (above) said the Government was committed to protecting the interests of British exporters in the ongoing Brexit

negotiations.

He said any attempt
by the remaining 27
member states to create new barriers to trade would rebound against them. "This Government

opposes erecting barriers to trade where none yet exists, or disrupting the commercial relationships that exist between this country and our continental partners," he said. "If Europe erects

barriers to trade and investment that do not exist today, it will make Europe less competitive in a global context and less attractive to international investors." Dr Fox said the

Government's Brexit legislation would enable Britain to continue the EU's trade arrangements with third countries, protecting UK exporters' access to overseas markets. "It will also give us the tools we need to

the tools we need to fight back against any unfair subsidies or dumping from abroad,"

Non-stop farting man causes fight on flight

A PILOT was forced to A PILOT was forced to make an emergency landing after a fight caused by a passenger who refused to stop FARTING. The man kept breaking

wind on board a Transavia Airlines flight from Dubai to Amsterdam Schiphol. The two Dutchmen

sitting next to him didn't take well to his bottom burps, but the unashamed man wasn't put off and refused to hold back.

Crew members on the Dutch low-cost airline were apparently less than

sympathetic and refused to do anything about it. A fight between the men then broke out, causing the flight to be diverted to Vienna Airport.

Police boarded the plane and removed two sisters and the two men after the pilot reported "passengers on the rampage".

Ridley Scott: 'I've not heard from Spacey'

SIR Ridley Scott has said he has not heard from Kevin Spacey since he replaced the actor in his latest film. The acclaimed director, who on Sunday night was awarded the prestigious Bafta fellowship, had to reshoot scenes for All The Money In The World after allegations of sexual assault were made against House Of Cards star Spacey. The drama, about the kidnapping of John Paul Getty III, saw Christopher Plummer replacing Spacey (above), 38, just weeks ahead of the film's release.

Speaking during a Bafta event to celebrate his career Sir Ridley, 80 – whose renowned films include Alien, Blade Runner and Gladiator, said: "Well, you know, I was a bit pissed, actually.

"If Kevin had said Dude, I'm sorry about this but that's the way it is', and I'd have said Fine, but I'm going to replace you'. Instead I haven't heard from him or anyone representing him sine that saint."

Aldi carrot ad gets the chop

AN "irresponsible" Aldi Christmas advert for alcohol featuring the animated Kevin the Carrot has been banned for appealing strongly to children.

The TV ad started with

computer-generated Kevin saying: "I see dead parsnips." This was followed by a

A viewer complained that the ad was irresponsible because it was likely to strongly appeal to people under 18 years old.
An Aldi spokesman said the ad was not designed to appeal to under 18s.

Dear Bexie,

LAST week I was in the back room, having a cheeky wank while the wife was out, when there was a tap at the French windows – it was the woman from next door!

She's no oil painting, but for a woman of about 50 she has a nice figure and big tits.

She beckoned me to let her in while motioning a tossing action, licking her lips and jiggling her boobs as well as flashing her knickers

As soon as the doors were open she rushed in and pushed me back

into an armchair, before gripping my raging hard-on.

Then she gave me the best handjob of my life – taking my glistening tip into her mouth as she tugged me off until I shot my load over her feee and sleavage. face and cleavage.

Should I knock on her back door for a repeat performance?

JH, West Midlands

Bexie says...DEFINITELY. Why don't you give her some pleasure next time and go down on her?

Dear Bexie,

I HAVE recently returned from a lads' holiday in Tenerife. By the end of our first night my mates had porked several fat birds and we were all having a whale of a time – pardon the pun!

I'd promised my girlfriend back home that I'd stay faithful, but on the last night I was well pissed and got lost in the hotel.

Down the wrong corridor I saw two women necking outside a room. They called me over and invited me in. One was a cute blonde and the other was a busty redhead.

They explained they were lesbos – so I couldn't join in – who enjoyed having an audience. So I sat on the balcony, pulling my pud, as I watched them get down to business on the couch.

They took it in turn to lick each other's moist fannies while slipping fingers up both holes and slurping each other's fanny lips and nipples.

Last weekend, I told my girlfriend about it and she booted me in the balls and dumped me. What did I do wrong?

Nympho girlfriend puts it about all over town

Dear Bexie,

I LOVE my girlfriend of three years very much but she's an absolute slag who puts it about all over town.

I've caught her shagging my mates from the pub, yet I still can't resist her. I always take her back like a lapdog.

There is a plus side to living with this woman though

I'm constantly on the job, slurping on her fanny, getting my cock sucked or thrusting up her with all I've got.

But things went too far last week when I found her in bed with a bloke I'd hired to do some decorating.

I just don't know whether to kick her into touch—and lose my regular helpings of great sex—or continue to ignore her behaviour.

I'm desperate. What should I do?

Blackmail babe has made me sex s

Dear Bexie.

MY girl's best mate is a right dirty bird and she's wanted to shag me for

I managed to resist until I finally succumbed a couple of weeks ago.

My girlfriend was away at a conference for the weekend and her mate came to my flat clutching a couple of bottles of wine.

She was wearing a short skirt and her ig boobs were almost spilling out of her low-cut top.

I invited her in and we soon polished

off the vino.

She then stripped off to just her tiny black panties and wasted no time getting my throbbing meat out and started expertly sucking me off.

Bumhole

It was brilliant watching her lick and tease the old fella until I could hold out no longer and she loved it when I spunked all over her face.

She then ordered me to watch as she pleasured herself with an empty wine bottle in her fanny and tight little arse until I was rock-hard again.

So I led her to the bedroom and gave her a good shafting doggy-style.

I also slipped my knob up her bumhole for good measure.

or good measure. But she was insatiable and made me

lie back on the bed before climbing on top and bouncing up and down on my cock until I shot my load again deep

cock until I shot my load again deep inside her.

But when I woke up the next day, I felt really guilty about having sex with my girlfriend's mate.

I told her that we couldn't have sex again but she said she would tell my missus if I didn't carry on seeing her.

She explained that she didn't really liberarial friend and if the infriends her.

So I now have to bang her twice a week, just to keep her off my back.

The last time we did it she tied me to

her bed and got some sex toys from her

wardrobe.
After pleasuring herself in front of me, she then shagged me up the arse with a big dildo.

I'm virtually her sex slave. What should I do?

PF, Birmingham

Bexie says...

WHAT an evil woman. You should come clean with your girlfriend and beg her for forgiveness. Otherwise, you'll just have to get used to the ass-f**king, mister!

Wild sex is great but I'm desperate for a blowjob!

Dear Bexie.

MY wife is a wonderful woman and she's still as pretty now as she was when I married her 10 years ago.

She's quite a little minx in the sack too and we enjoy most forms of sex together – all the usual positions plus a few other things that most couples might class as "taboo".

However, one thing she just WON"T do is give me a bloody blowjoh

No matter how many times I beg her, she simply will at have my dick in her gob.

Which is a joke because she adores it when I go down on her, sometimes for about 20 minutes at a time.

We stay in on Saturday nights – even though our children go to my wife's parents until Sunday afternoon.

Porn

When they first started staying out, we used to go down the pub with pals.

But we prefer to stay at home now and watch some porn on the laptop and have a couple of glasses of wine to get us in the mood.

to get us in the mood.

And we always end up having wild sex on the lounge floor. Sometimes she'll get on top and ride me like a bucking bronco and other times she'll get on all fourswhile I bang her hard and fast doggy-style.

But once we've finished, I always fancy getting a gobble, yet she just won't do it.

I've asked her if there's a reason but she says she doesn't like the feel of it.

doesn't like the feel of it. What can I do?

Bexie says...

ORAL sex is okay but not every girl likes it. Have you tried washing your cock after the 'taboo' fun?

Dear Bexie.

MY husband likes to take explicit nude photos of me on his mobile and a few weeks ago he invited a couple of his mates to join him.

My hubby videoed me with his mates as they all gathered round me in the lounge and slowly removed

my sexy undies.
One of the fellas began feeling my boobs while the other kissed me passionately on the mouth. Then I felt the first lad's

hot tongue, teasing my stiff nipples as I writhed around in pleasure.

One of the men pushed me down on to my back and spread my legs before ripping my little G-string

Well, I was dripping wet by this point and groaned deeply as he went down on me and started to lick me out as my husband hovered over us with his mobile still recording.

Then my man set the

phone up on a coffee table and joined in. He was giving me one when he told me to give handjobs to his two mates. It was so horny and the

film we made was

Now we make a new film every week.

The only problem is that I think it's a bit strange that my husband wants to share me with his mates.
Should I carry on?

DERBY manager Gary Rowett believes his Rams will bounce back from their poor result Sheffield against Wednesday.

They face another Yorkshire giant in Leeds after their 2-0 reverse against the Owls.
With things so tight at the top of the Championship, Rowett knows his team must get back to winning ways.

"We're really positive, we're played really well against Wednesday and we created a number of opportunities on the game, we just didn't take them."

Rowett says he's happy that there's still all to play for in the division. A win

could lift the Rams from

fourth into second spot behind Wolves — who look to have the title sewn up. The County boss said: "It's a really good advert for the Championship.

it is a tough run, we've got 14 games left and the reality is you're going to play a lot of the teams in the division. "What that tells you, every performance is in our own hands.

Former Leeds keeper Scott Carson will be between the sticks for Derby and he's desperate to pick up three points.

While some were a little disappointed with the

disappointed with the weekend draw at Preston, Doherty was happy to take a step closer to the top

flight.

He said: "We'll take a draw, Villa lost which

helps.
"Villa won seven in a row and they're still 13 points behind us which just goes to show the work that we've done in the earlier part of the season, which might allow us to have a draw here or there and not sweat too much over it. It's a nice position

to be in.
"I'd rather be 11 points clear than one clear. It

helps.
"It doesn't make us take our foot off the gas at all -we wouldn't be allowed to do that – we want to get as many points as we can and get it over with as soon as we can.

Tactics

"A point's a point but we are disappointed."

Doherty believes it's getting harder for Wolves because rival teams are getting used to their tactics — and coming up with plans to stop them. He added: "Teams play

differently, in terms of shape or how attack minded they might be, second time round.

"First time round in the

season they might have played the wrong way and they realise that they would have got picked

apart." Norwich defender Timm Klose knows the size of the Canaries' task tonight.

He said: "Of course they are set for the title – have you looked at the table?

"They are playing very solid football. They haven't conceded many goals and that's the basement you need for a great season – score a lot and don't concede that many.

"They've had an unbelievable season but it's nice to deal with the best teams in this league. To try to prove you are as good as they are."

The Gunners midfielder believes the club sent out "a message" to their rivals with a comfortable 3-0 first-leg win against Ostersunds.

Petr Cech is the club's No1 but the Spaniard has played in the Carabao Cup ahead of the veteran. He played in last season's FA Cup final win over Chelsea and Wenger is likely to stick with him against City.

NEIL Lennon has backed Celtic to make the Europa League final.

It seems a tall order for Brendan Rodgers' men but they head to Zenit St Petersberg for the second leg with a 1-0 lead. Lennon was part of the Hoops team that made the UEFA Cup

SEVILLA boss Vincento Montella says his team have to "kill" Alexis Sanchez when they take on Manchester United in

the Champions League. We think he was joking but the Spaniards have made the Chile ace their prime target on his European debut for the Red Devils.

Montella didn't mince his words and also said he wished that Paul Pogba was injured rather than heading to southern Spain. Sanchez

Desperate

The Portugeezer has called that fake news and says there is no issue with the club's record signing - who is thought to be unhappy about his deep

lying role. Pogba will be desperate to get back in action on the biggest stage to quell any talk of him leaving Old Trafford this summer.

And Ashley Young will want the Frenchman on the pitch — because he's been telling everyone that the Red Devils can win the Champions League this season.

The left-back said: "Of course we can win it.

"You don't enter a competition not to win it. That's what we will be looking to do and take each game as it comes.

"The next one is against Sevilla. That's a tough away

game like Huddersfield, like Newcastle away.

"That's what the stadium is like. We just have to concentrate on ourselves."

And Young has laughed off United legend Roy Keane's view that he cannot defend well enough.

He said: "A lot has been said about our defenders, last week certainly — it's just one of those things.

"Everyone's entitled to their opinion.

On the pitch, Will Grigg made the difference with his well-taken winner in the closing minutes. He fired the League One Latics into the quarter-finals and a home tie against Southampton.

Grigg is well known for his exploits with Northern Ireland and the "Will Grigg's on fire" song.
